

# LAST CALL

Our grant for Delivering Quality Assured Australian Honey Bee Products and Traceability program is due to for completion June 2022.

We desperately need more samples of dominant Australian species honey varieties for testing and analysis.

If you have already received jars from B-QUAL for sample collection and not returned them, please complete and return now.

If you have not yet registered to submit samples please do so **NOW**.

To register simply email: [bqualdatabase@ausqual.com.au](mailto:bqualdatabase@ausqual.com.au) and supply:

- Trading name
- Your postal address
- Your preferred email address
- Contact phone number
- How many jars you require.

It is important to note that all testing and chemical analysis is to be completed by mid-April, so samples should be received no later than **Friday 4<sup>th</sup> March 2022**.

**Please follow the instructions in the collection letter sent with jars and pre-paid post packs.**

Support this important industry initiative by offering honey samples.

email [bqualdatabase@ausqual.com.au](mailto:bqualdatabase@ausqual.com.au) or phone 0404381942 if you have further queries.

Regards,  
Don Muir
